Your tax statement will include estimated slot and table games win/loss information from Victory Casino Cruises Reportable Winnings are those winnings that are reported to the Internal Revenue Service by completing a W-2G, statement of Earnings from Gaming. These forms to the IRS are required by Tax Law to be claimed as earnings on your tax return. The tracking system used to arrive at this amount is dependent upon the use of your player's card and does not include slot tournament, giveaway, or race and sports book winnings. Therefore, this statement will not reflect an accurate actual gaming results; it merely provides an estimate you can compare to your own records. If the player did not use the winners club card no record is kept.
